

## UEI Parent Consent Form

Greetings Parents/Guardians:

For years, school funding for important arts and music programs have declined. Given this, CUSD has joined forces with Urban Entertainment Institute (UEI), a life-changing performing arts program in a movement that we believe will transform education all over the world.

We are also pleased to announce that through the efforts of CUSD administration the **Urban Entertainment Institute will offer its program on the campus of Enterprise Middle School, McKinley Elementary School and Compton High School.** We will offer choir, dance, drama, songwriting, piano and digital recording. **Classes will be held AFTERSCHOOL on Monday-Friday and All-Star Saturday.**

The students who participate in the UEI program will perform in productions throughout the year. Students must be able to rehearse afterschool. This important effort will showcase our unified concepts for next generation teaching and learning. We know that your child's involvement will make this year's events a great success.

Regards,

Fred Martin
